

MD ASIF Pursuing Ph.D, M.Pharm

Assistant Professor, Pharmaceutics Department, College of Pharmacy,
Jahangirabad Institute of Technology (JIT), Dist. Barabanki, UP, India

Mobile: 8617795686

E-mail: asifqadri147@gmail.com

Publications:

- An Insight into the Therapeutic Potential of Phytobioactive Compounds for Diabetic Neuropathy Manuscript ID: DR-2024-12-3162(Drug Research)
- Various types of Formulation Used for Treatment of Soft Tissue Infection in IJSR on January 2022, Paper ID: SR22114100323

Patents:

- QSAR modeling to forecast the health effects of nanocrystalline metal oxides from a toxicological perspective.
- Formulation Evaluation of Equivalent Gastro- Resistant Acamprosate Calcium Tablet 333mg. (NeuroQuantology Journal) September 2022, volume20, Issue 10, Page-10553-10570

Research Projects (undergoing):

1. **Title:** Development and evaluation of β -Asarone loaded Gold Nanoparticles (AuNPs) for Prostate Cancer.
2. **Objectives:** a) Development of β -Asarone loaded Gold Nanoparticles(AuNPs)
b) Evaluation and characterization of developed Nanoparticles.
c) Anticancer activity of optimized formulations.

Posters, Presentations, & Conferences:

- Attended International Conference, Spirit organized by IIT (BHU) on 1st and 2nd April 2023.
- Presented poster in National Conference organized by Era University at Lucknow, on 12th October, 2023.
- Attended International Conference organized by AKTU, Lucknow on 5th November, 2022.
- Attended International Conference organized by Department of Personalized & Molecular medicine & Era college of Pharmacy, Era University at Lucknow on 19th - 20th Feb, 2020
